**Message from the Mayor**

Bookending the sun-soaked days of summer, we engage in two special celebrations – Memorial Day and Labor Day. The meaning of both holidays is something to keep in mind as we go about our daily activities over the next few months.

38-year-old father Kyle Milliken died on May 5, 2017. Kyle was serving as a United States Navy SEAL. He and his unit were in Somalia engaged in an operation against an Al-Qaeda affiliated extremist group. Remembering people like Kyle is what Memorial Day is about. Never forgetting people like Kyle is what we must do every day. It is fitting that the unofficial start of summer should be devoted to a day in honor of the men and women who make it possible for us to enjoy our summertime activities. If not for the brave men and women who have defended our freedom and liberty at the expense of their own lives, an afternoon at the community pool or an evening of revelry at an annual festival would be impossible.

Each weekday, the population of the City of Sharonville blooms to in excess of 30,000 people. This is the result of the men and women who come to work within our city’s borders. As summer ends, we celebrate the everyday labor that goes on in our community and around our country. Here in Sharonville, we are blessed with many great employers that provide opportunities for workers. And in turn, those workers and those companies provide the support for our City to operate. As you enjoy the festivities of SharonFest, relax in the security of our police and fire departments, or make temporary arrangements to allow for street and curb work this summer, take a moment to thank the laborers whose work in our City make these projects physically and financially feasible.

So, as we embark on our journey through June, July and August, never forget those who have sacrificed and those who labor. Enjoy your summer here in the City of Sharonville!

*Kevin M. Hardman*

**Northern Lights District**

The City of Sharonville is working hard to make the Northern Lights District the premier location for meetings, athletics, performances and entertainment in Southwest Ohio.

The Northern Lights District (NLD) is home to the exquisite Sharonville Convention Center. In June, the convention center will be connected to a brand new $14 million Hyatt Place Hotel. We believe the Hyatt Place @Sharonville Convention Center will bring a new and dynamic product to the NLD. This is a one-of-a-kind amenity that allows us to continue to build and grow economic impact for our community.

Tru-By Hilton has recently announced their intention to build a new select service hotel on Dowlin Drive. The old Burbank’s restaurant will come down to make way for additional redevelopment opportunities.

The $140M Princeton School District complex is complete. Home to the sixth largest public school facility in the state, Princeton is scheduled to host several regional and national events.

The city is the 3rd and final phase of the $10M Chester roadway improvement project. The corridor will see buried utilities, wider-stamped sidewalks (to encourage pedestrian traffic), and new light fixtures. We are also working closely with our current businesses to improve signage along the corridor.

The economic development department is actively marketing the NLD to developers and brokers. We have 6 prime lots ready for redevelopment and are seeking restaurant/retail partners to support the convention center, Viking Village visitors and our hotel visitors. We have a vibrant new logo for the NLD. The colors serve as a reflection of the Aurora Borealis the Northern Lights. It’s retail friendly, fresh, and innovative. The blending of the colors is to communicate diversity (businesses, people and industries). The square border is to remind us that while we do have city limits, we think outside of the box, encourage creativity, and promote new ideas.

Many locals remember that Chester Road in the late 1970s through the late 1980s was booming with several hotels and the area’s finest restaurants -- Marriott, Howard Johnson’s, The Windjammer, Cork and Clever, Victoria’s Station and the Red Dog Saloon. They also remember the hard economic times that came after. Sharonville’s Northern Lights District has created a surge of new investments and momentum. We are proud of our efforts and hope you will share sense of pride for this redevelopment.
Energy Aggregation Update

Natural Gas: Letters for the next Natural Gas Aggregation program have now been mailed to eligible residents and small commercial entities. Eligible accounts are those that:

- reside in Sharonville,
- currently are in the gas aggregation program or obtain their gas supply directly from Duke utility
- use no more than 5000 ccf per year,
- are current on their bills, and
- are not utilizing Duke’s PIPP (Percentage of Income Payment Program)

If you want to remain in or enter the aggregation, you do not need to do anything with the letter you received. You will automatically be included in the program. If you do not want to participate in the program, you must return the form opting out of the program by the deadline indicated in the letter. If you are not eligible for inclusion according to the criteria above, but would like to participate in the program, call Jennifer at 513-481-7954 x103 for information.

Since it began in July 2013, the Opt-Out natural gas aggregation program has saved City of Sharonville residents and small commercials more than $369,000 (*Savings calculated through Feb. 2017).

Electric: Our program with Dynegy continues until December 2017. Look for additional information in the next issue of Hometown Guide. If you have specific questions or need additional information, call Jennifer at 513-481-7954 x103.

Sharonville Small Business Alliance

The Sharonville Small Business Alliance meets monthly on the third Thursday of the month at 8:30 AM. Upcoming meetings will be held on July 20th, August 17th, & September 21st. The Alliance is a chance for our small businesses to connect with each other and “stay in the loop” with what is happening in the city of Sharonville. Meetings are open to anyone wanting to be involved with our downtown loop and small businesses in Sharonville and participate in their vibrancy! If you would like more information about the Small Business Alliance, contact Katy Huffman at khuffman@cityofsharonville.com. Remember to support your hometown and shop local!

Learn Before You Burn

Spring has finally arrived. Many people turn their attention to outdoor activities, including yard work. Although it may be tempting to pile branches and other yard trimmings to burn, it’s important to know the facts before lighting a match.

When leaves and plant materials catch fire, they release millions of spores, causing people with allergies to have difficulty breathing. The pollutants released by open burning can also make it more difficult to meet health-based air quality standards, especially in or near the metropolitan centers such as Cincinnati.

Please consider these critical points before setting a backyard fire.

1. First and foremost, most kinds of open burning are illegal in Ohio, unless you receive a permit from the Southwest Ohio Air Quality Agency (Agency) or permission from your local fire department in advance. The Agency has a list of local fire departments on its website at SouthwestOhioAir.org.
2. Small campfires are allowed but they are limited to no larger than two-foot high by three-foot wide and it cannot be used for waste disposal.

In lieu of burning, take advantage of your community’s yard trimming programs. Many municipalities and townships offer curbside chipping and removal of larger residential yard trimmings. Hamilton County Recycling and Solid Waste District offers three Yard Trimming Drop-off Sites that are free to county residents and open most weekends now through November 19. Check their website for details and directions at HamiltonCountyRecycles.org.

Property Taxes

The collections of property taxes (whether it is for residential property or business property) are the responsibility of Hamilton County or Butler County. **The City of Sharonville does not receive property tax dollars from city residents or businesses and is proud that a municipal property tax has not been levied in over 30 years.**

For further information on the collection and payment of property taxes, please contact either the Hamilton County Auditor’s office at (513) 946-4000 or the Butler County Auditor’s office at (513) 887-3154. Links to these offices are available on the Sharonville website.

School District Tax

The City of Sharonville is within the Princeton City School District. The code for state income tax form purposes is 3116.
Yard Maintenance

Spring rain has promoted growth in vegetation, and summer lawns will require mows every so often. The city asks that you be a good neighbor and keep your lawn at a reasonable height. According to Section 521.13 of the Codified Ordinances of the City of Sharonville, grass over 8" tall is considered a weed and shall be removed. A notice of the violation will be posted to relevant properties, and if tall grass is not mowed within 7 days of the post date, the city will send out a team to cut the grass. All costs, plus a 15 percent but not less than $25.00 processing fee, will be the responsibility of the property owner. Failure to return payment within thirty days will result in the costs being added upon the tax duplicate as weed cutting, acting as a lien upon the land from and after the date of entry. All taxes collected will be returned to the City General Fund.

Sharonville’s Community Development office is happy to take calls reporting high grass, where the report will be processed and a notice given. Unkempt lawns create visibility issues, harbor rodents and pests, and diminish the character of Sharonville. Property values drop when lawns are neglected. Keeping an eye out for high grass will help deter these issues but it is important to be understanding, as sometimes there are legitimate reasons for a lack of lawn maintenance. Discussion amongst neighbors is encouraged, perhaps the neighbor has an issue prohibiting them from mowing the lawn but do not feel comfortable asking for help.

Keeping any neighborhood well maintained shows respect and care for the community and a certain amount of pride is conveyed in the act of taking care of one's property. This summer, please do your part in illustrating the kind of respect, care, and pride that can be found here in Sharonville.

To contact the Sharonville Community Development Office with any questions, comments, or to report high grass, please call 513-563-0033. If you would like to report a complaint online, click the following link https://oh-sharonville.civicplus.com/requesttracker.aspx.

Bicycle Safety

Now that it is summertime, many of us are spending more time outside. One of the many summertime activities our officers see a lot of is bicycling. Cycling is great for the young, the old, and everyone in between. Although serious crashes are rare, following some simple rules will keep all cyclists safer on the roadways.

1. Protect Your Head: Wear a helmet.
2. Stay Visible: If drivers can see you, they are less likely to hit you. Use lights when biking at night or in low-light conditions.
3. Look, Signal, and Look Again: Use hand signals to let drivers and other bicyclists know where you’re going. Look and make eye contact. Don’t assume drivers will stop.
4. Stay Alert: Keep a lookout for obstacles in your path.
5. Go with the Flow: Bike in the direction of traffic.
6. Act like a Car: Drivers are used to the patterns of other drivers. Don’t weave in and out of traffic. The more predictably you ride, the safer you are. Check for traffic. Be aware of traffic around you.
7. Don’t Get Distracted: Don’t listen to music or talk on the phone while riding.
8. Obey all Traffic Laws and Lights
10. Do a Quick Bicycle Test: Check your brakes and your wheels. Make sure that “quick release” wheels are properly secured.

If you can’t follow rule #1 because you don’t have a helmet, come see us! We have bicycle helmets in youth and adult sizes. Pledge that you’ll wear it anytime you’re on your bike or scooter and we will give it to you for free!

Reporting of Suspicious Activity

The summer hours are here and more of us are out and about, there may come a time when you see something that “just doesn’t look right.” If that little voice in the back of your head tells you something may be amiss, don’t just dismiss it as, “it’s probably nothing.” Only you know the everyday norms in your routines. When you notice something out of the ordinary, take note of it and call us to report it. Please don’t think that you are bothering us by reporting suspicious activity. It is our job and our privilege to serve, protect, and care. So if you see something suspicious, don’t delay. The sooner we can respond and investigate, the sooner we can assist someone in need, prevent someone from becoming a victim, or make an arrest for criminal activity.

You are our eyes and ears. We cannot be everywhere at once, so we need your help. Even if it may seem like nothing now, the compiling of information is vital to assist us in current and ongoing investigations. We all play a key role in making our community safer and more enjoyable. Together we can make the difference!

When reporting suspicious activity, please describe in detail what you have observed, including who or what you saw; when you saw it; where it occurred; and why it is suspicious. Please contact the Sharonville Police Department at 513-563-1147 with any information or call 911 for emergency assistance.

Summer Fun & Summer Safety

Summer is a great time of the year and many of us find ourselves outside enjoying the sun and time with family. The Sharonville Fire Department often sees fun turn into tragedy. Here are some tips on two fun summer activities to keep you and your family safe.

**FIREWORKS**

- Each year, fireworks injure thousands and send thousands others to the hospital.
- U.S. hospital emergency rooms saw an estimated 18,500 people for fireworks-related injuries in 2014.

**Eye** 19%

**Head, Face or Ear** 19%

**Arm** 5%

**Hand or Finger** 36%

**Trunk or Other** 11%

**Leg** 10%

Sparklers alone account for more than one-quarter of emergency room fireworks injuries.

---

**GRILLING STATISTICS**

- **8,900** home fires are started by grills each year, on average.
- **July** is the peak month for grill fires, followed by May, June, and August.
- In 2014, **16,600** patients went to the ER because of injuries involving grills, including **8,700** thermal burns.
- **75%** of U.S. households own at least one outdoor BBQ, grill or smoker.
- **62%** of households own a gas grill.

RECREATION UPDATE

WAIT UNTIL YOU SEE THE CHANGES THAT ARE COMING THIS FALL!

Multipurpose Room (Old Gym) Renovation
The long awaited renovation and facelift for the Multi-Purpose Room is coming beginning August 14, 2017. New flooring and new wall covering replacements are on the way. You’ll be amazed at the next rental, sporting event, or special event that you attend after the renovation is complete. The project will take six weeks and the room will be ready just in time for fall activities. The new floor will open up many new opportunities for programs and group exercise. We will post photos along the way on our Facebook page. Be sure to follow us @ Sharonville Parks & Recreation Department.

Refinishing the New Gym Floor
Can you believe that the Community Center expansion was 20 years ago? With the 20th year anniversary it is that time to completely refinish the gym floor for longevity preservation, by resanding, repainting and revarnishing the final coats, with some new additions. The city will be taking this opportunity to add some extra things along the way such as permanent pickleball lines and the honoring of former Maintenance Manager, Pat Schehr by naming a court after him. This refinishing will begin September 23 until October 10, 2017 just in time for the fall youth and adult sport leagues and many other drop-in activities that occur in the gym. Due to the sanding and recoating process the walking track will also be affected and restricted during this two and a half weeks. We appreciate your understanding for any inconvenience this may cause in order to bring these wonderful changes to your Community Center.

Community Center Entrance
The Main entrance is the only entrance into the Community Center. The Thornview doors are an exit only. We understand that this may be an inconvenience to some, but it continues to provide safety and security to our staff and members. The only exception to this policy is for after normal business hours rentals and special events. During these events no other access will be provided to the center. We thank you for your ongoing assistance in making this a secure environment for everyone. Please continue to assist by:

- Securing Thornview doors behind you when leaving.
- Please do not prop doors open or open doors for individuals to enter the building.

If you have further questions or concerns regarding this safety measure, please contact Sue Koetz, Recreation Director at 513-563-2895 or skoetz@cityofsharonville.com.

Join us for a Ladies Summer Celebration at the Sharonville Community Center. Ladies 16 and over will celebrate summer in style by swimming, shopping and relaxing with one of our spa experiences. Rain or Shine, ladies will celebrate all day with our salad and fruit bar, fun games, snacks, raffles, photo booth opportunities, split the pot and more. Top off your favorite summer outfit by wearing your handmade or store bought party hat. Judges will select their favorite hat that most represents Ladies Summer Celebration. Prizes will be given to our top three winners. Register before July 16th for a discounted rate of $7.00*. Registration after July 16 is $10.00. The first 25 individuals who pre-register will receive a swag bag the day of the event.

A responsible person, at least 15 years of age, must accompany pool guests under the age of 10. If deemed by the pool management that the chaperone is not proven to be responsible, we reserve the right to ban future entrance into the pool as a chaperone.
